TH. GAMMELTOFT / J. VEDSTED-HANSEN (eds.), *Human Rights and the Dark Side of Globalisation*, Routledge, 2017, 366 pp., ISBN: 978-1-13822-224-3

The present book *Human Rights and the Dark Side of Globalisation (Transnational Law Enforcement and Migration Control)* edited by Thomas Gammeltoft and Jens Vedsted-Hansen emphasizes and examines the importance of constant Human Rights violations and joint responsibility in the context of a serious problem that affects Europe: the migration crisis among other topics.

The strong point of the book is the proper demonstration of several parties involved in shared responsibility, the human right to privacy (especially the NSA surveillance issue), counter-piracy, responsibility of rescuing migrants, etc. However, all of these issues have a strong legal side; the book tries to present them in a way that it can be understandable to readers that do not pursue legal studies.

All in all, the book applies an extensive thought-provoking way of writing about topics of great actual importance in the globalized world.

M. GROVES / G. WEEKS, *Legitimate expectations in the Common Law World*, Hart Publishing Ltd., 2017, 354 pp., ISBN: 978-1-84946-778-0

The concept of legitimate expectation, which is an expectation induced by a public authority that an individual would be granted or retain some substantive benefit, is essential for procedural protection before public authorities. For the last decades, this concept has become an integral part of judicial review in the common law system and is recognized, at least in some way, by all common law system states. However, the law in different states develops in different routes, and so do legal concepts.
